

AMERICAN HIGH SCHOOL SKOPJE IS LOOKING FOR A MATHEMATICS TEACHER

Join our team!

The American High School Skopje offers high-quality education and a nurturing growing environment based on a student-centered learning concept. It is a high school that is dedicated to preparing young people for work and life in contemporary global society. We thrive on educating students that honor and contribute to society in a way that hopes to make our community, and ultimately, the world, a better place.

We are expanding our team and looking for candidates who will contribute to training young people for work and life in a contemporary global society.
